Making friends for the world to see,
Let the people know
you've got what you need;

Christi,
I really had fun in Mr. Brooks class with you. I think that between me, you and Janice, he's ready to retire. I know you'll probably go to college and raise hell there too, try to do it without me & Janice.
Have a nice summer
Love Audrey #205

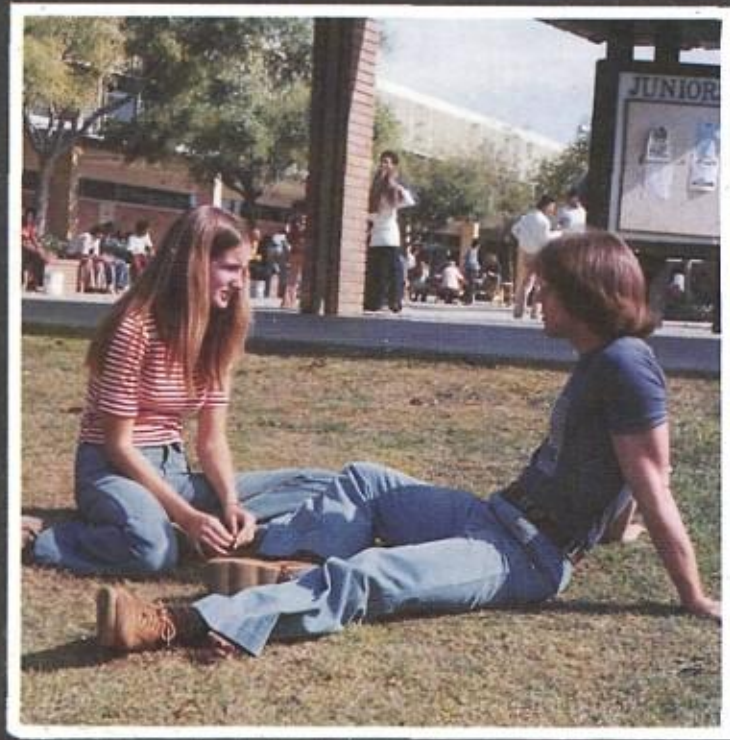
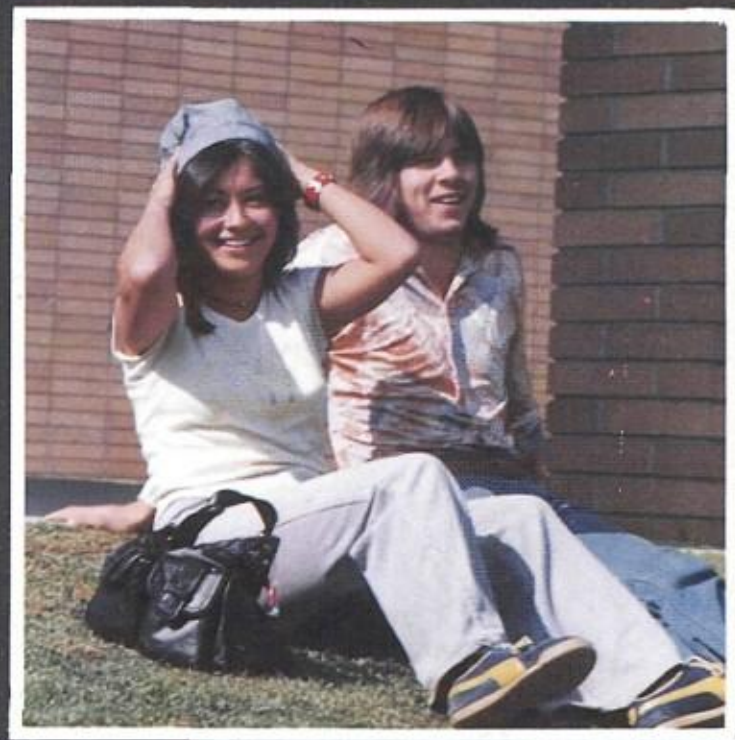
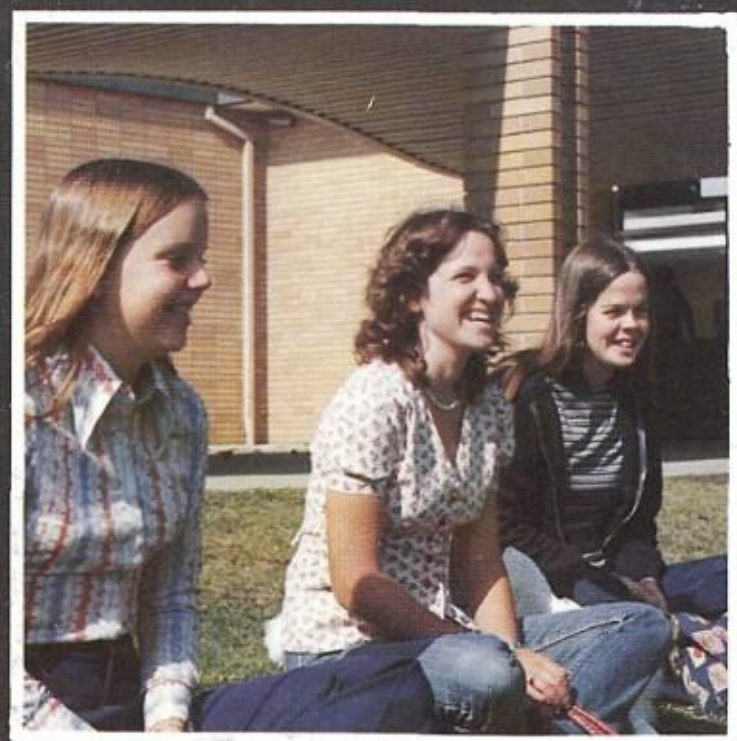
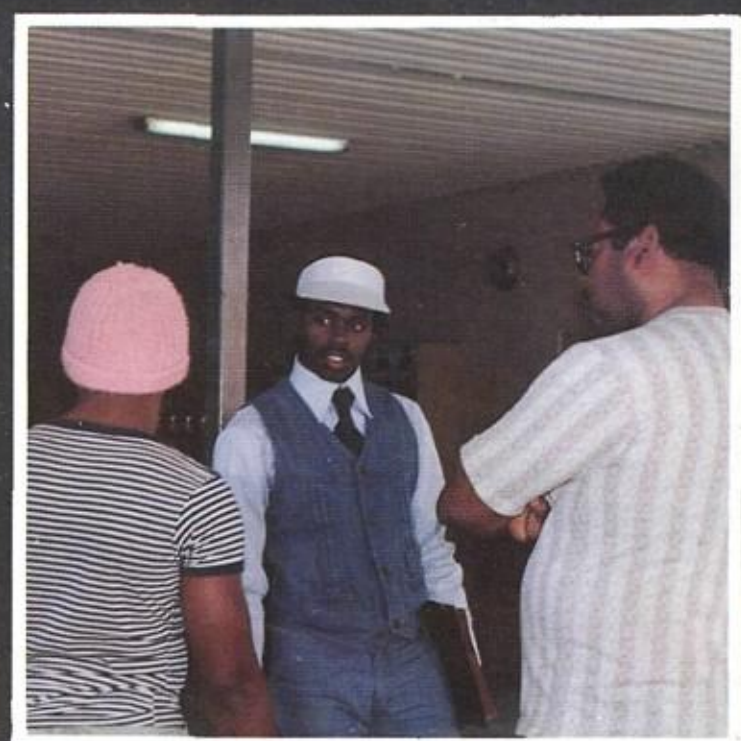
With a friend at hand
you will see the light
If your friends are there,
then everything's all right.









It seems to me a crime
that we should age,
These fragile times
should never slip us by;

HYMN

With truth and faith and honor
United as one are we
With colors golden
To tint the sky and blue
That matches the sea
As we walk on the pathway
Of knowledge
To all the world we'll be
Giving our all in every way
with never failing loyalty
we vow to love you, Burbank High
with lasting fidelity.

FIGHT SONG

Here come the Titans
Mighty and strong
Here come the Titans
They are never wrong
When they go charging
Down the football field
You'd better watch out
Get out of their way
before they make that play
Come on, hey hit the line, boys
Raise up that score
That's the way to go, boys
Now we need one more
Now we've got a good team
And we're gonna win
We're really gonna fight
Come on, Titans
We're for you.

Uncle Bill and Aunt Peggy
I'm glad you could come
for a year ever so

hope we see you

AUSTRALIA

Jon O'Connor

This year was a real give and take situation. I spent so much time answering questions about Koala Bears, kangaroos, and my Australian accent, but I spent a lot more time discovering what tacos, Big Macs, and cruising were all about. I'll never forget the great times I had at the football games, Homecoming, and in the plays I was involved with. I've met so many people, made so many new friends, and had so many new experiences - this was a year I'll never forget, and it was all possible because of A.F.S. I just want to say 'thank you' to everyone I've met during the year for making my experience so fantastic. I hope many more of you will become interested and involved with A.F.S. and continue to support the school club at Burbank.

Friendship Needs No Symbol, or Vow to Make
It Whole;
It's Just a Sacred Covenant That's Locked
Within the Soul;
It Knows No Creed or Station, or Thought of
